To Whom It May Concern:

This is a letter of appeal for Bridgeton School District. We are appealing the letter from USAC dated January 30, 2008 – Administrator's Decision on Appeal. The service providers are as follows:

- Verizon Wireless; BEN # 123378; SPIN # 143000677; 471 # 580993 ✓
- Vertex Technologies; BEN # 123378; SPIN # 1430011709; 471 # 581867 ✓
- E.comm Technologies; BEN # 123378; SPIN # 143030222; 471 # 582031 ✓
- Verizon, NJ Inc; BEN # 123378; SPIN # 143001362; 471 # 581141 ✓
- Vertex Technologies; BEN # 123378; SPIN # 1430011709; 471 # 581866 ✓
- XTel Communications; BEN # 123378; SPIN # 143010147; 471 # 578428 ✓

The funding commitment decision explanation stated that we were denied based on a technology plan covering the current funding year was not in place at the time of the filing of the Forms 470 and 471. We are appealing this decision because at the time of filing, we were using the current technology plan which ended on June 31, 2007. We began working on the 2007-2010 technology plan in June of 2006. The state did not require us to submit for approval the 2007-2010 technology plan until May of 2007. However we began working on the 2007-2010 technology plan in September of 2006. I am enclosing the Staff meeting agenda showing that we were working on it in September of 2006. The 2007-2010 technology plan was approved by our Board on June 12, 2007 and approved by the state on June 28, 2007.

If you have any questions please contact my office by phone at 856-455-8030 extension 1700, or email at [mwillis@bridgeton.k12.nj.us](mailto:mwillis@bridgeton.k12.nj.us). I look forward to hearing from you.

Sincerely,

Mark Willis  
District Technology Coordinator
